1. On 16 January 1962, the unilingual discussed the UNIFORM use of UNIFORM/2 as noted in the above reference, with Harry H. LANGDON from the French Base transmitting Paris.

2. The Station pointed out that it has no objections to the use of UNIFORM/2 as outlined in the above reference. LANGDON was briefed, however, of the inherent security dangers in view of the fact that the local French services have attempted to approach UNIFORM/2 for possible PENTAGON activities. Arrangements for continued full contact with UNIFORM/2 from London has been arranged and given to LANGDON.
